Emergence from Illusion Ricardo Johansson

Ricardo Johansson's Travels of a lifetime that led to the final discovery: the definition of what "Republican in Form" really means in the American framework instruments of government. This most obvious term has been hidden in plain sight for generations - never to be taught in any schools, colleges or universities. This revelation has proven that the American people have been living under an illusion of freedom and liberty since at least 1847. This book has the potential to change the world as we currently know it - allowing Americans, and everyone else in the world, to finally recognize the gift the early American Founders presented to the world as the Great American Republican Experiment. It's time for freedom and liberty to fill the entire surface of the globe once and for all - with the help of the most up-to-date technology on the internet.
