If there's one thing you shouldn't do with a **real alpha man**, it's try to sneak around his back.

I did just this when I tried to get a teensy peek at my birthday gifts. When the **BIG man of the house** caught me, he let me know that there was about to be some **very hard punishment**.

He said he didn't want to, since it was **so wrong**, but how else would I learn?

And maybe I want a little of his special "punishment" anyway...

Click "look inside" for a taste of this taboo romance novella. Contains MF, solo, oral, and hard action with a very creamy finish...
