This series contains all of the pieces from Volumes 1 and 2 of the Suzuki Violin School arranged for three violins. Suzuki Violin Volume 1 serves as the violin 1 part. The pieces can be played with or without piano accompaniment, which expands their performance possibilities. Another advantage is that students at different playing and reading levels can make music together. The score contains a chart that lists the level of difficulty of each piece and each part so that the teacher can easily assign parts. All of the parts were purposely kept as simple as possible. A table listing the reading skills required for each piece is found in the back of the violin 2 and violin 3 books. A separate CD is available containing all of the trio arrangements.
