Birnbaum's Disney guides take to the high seas with this comprehensive look at the Disney Cruise Line and all the events, activities, and ports of call to sample aboard the *Wonder* and the *Magic*. In "Before You Sail," receive advice on what to do and pack prior to your journey. Then get a deck-by-deck, cabin-by-cabin introduction to your vacation "home," as well as personal dining tips, from midday snacks to gourmet dinners. Find out the characters' favorite hangouts, and, for adults only—find out some of our little-known hideaways.

The guide also includes a chapter on Ports of Call to help you decide which tours and shore excursions to take, plus a fun-filled guide to activities for kids of all ages—tots and teens and in-betweens. Additionally, we'll show you where to massage your cares away, the best places to be after dark, how to celebrate in style whether you're just married or renewing your vows, marking a special birthday or anniversary, or just rejoicing, and the secrets to planning a successful family reunion.

This year's edition includes insights into the newest shore excursions available to guests aboard the Disney *Magic* and *Wonder*, first hand accounts of new dining and entertainment opportunities onboard the Disney ships, and updates on the extensive kids-only activities and programming provided by Disney Cruise Line. And now that Disney Cruise Line plans to add two new ships to its fleet, we'll provide a sneak peek into the not-too-distant future.

### **From reader reviews:**

#### **Michael Earl:**

What do you ponder on book? It is just for students as they are still students or that for all people in the world, what best subject for that? Just simply you can be answered for that concern above. Every person has distinct personality and hobby for every other. Don't to be compelled someone or something that they don't wish do that. You must know how great and also important the book Birnbaum Guides Disney Cruise Line 2009. All type of book are you able to see on many resources. You can look for the internet options or other social media.

#### **Ellis Dunn:**

As people who live in the actual modest era should be change about what going on or info even knowledge to make these keep up with the era which can be always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know what kind you should start with. This Birnbaum Guides Disney Cruise Line 2009 is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

#### **Jeffrey Martinez:**

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's soul or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Birnbaum Guides Disney Cruise Line 2009 can make you sense more interested to read.

#### **Allison Morales:**

What is your hobby? Have you heard in which question when you got scholars? We believe that that problem was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. And you also know that little person just like reading or as studying become their hobby. You have to know that reading is very important and book as to be the issue. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You see good news or update about something by book. Amount types of books that can you decide to try be your object. One of them is actually Birnbaum Guides Disney Cruise Line 2009.
