Burn Collector: Collected Stories from One through Nine Al Burian

A compilation of the first nine issues of the author's sporadically published and widely acclaimed personal zine, this volume reflects the do-it-yourself attitude of the 1990s punk music scene and includes humorous anecdotes, philosophical musings, and nuanced descriptions of odd locales and curious characters, all of which were taken mostly from outside of the punk milieu. This new release of a cult classic shows the far reaching influence of self-publishing with contemporary popular indie culture and bridges the gap between sub-culture and the world at large.
