How Children Develop

Robert S. Siegler, Judy S. DeLoache, Nancy Eisenberg

How Children Develop Robert S. Siegler, Judy S. DeLoache, Nancy Eisenberg

In its first edition, this highly anticipated textbook for the topically-organized child development course provided a fresh, non-encyclopedic approach, offering the latest, straight-from-the-research understanding of child development without overwhelming the student with inessential detail.

The new edition brings those hallmark features forward, again providing a thoroughly contemporary, streamlined introduction to the study of child development that emphasizes fundamental principles, enduring themes, and important recent studies. Student-friendly pedagogy, a new chapter on gender, and an enhanced media and supplements package further enrich this accessible, engaging, and informative text.
