## **Kabbalah and Criticism (Impacts) Harold Bloom**

While Bloom is appreciated for his originality, range and clarity, less notice has been taken of the remarkable unity that is displayed in his writings from the earlier studies on Shelley, Blake and Romanticism, up to *A Map of Misreading*. That unity is brilliantly highlighted in *Kabbalah and Criticism*.

Providing a study of the Kabbalah itself, its great commentators, the 'revisionary ratios' they employed and of its significance as a model for contemporary criticism, *Kabbalah and Criticism* is an indispensable book for all students of literature as well as for all those who are fascinated by this singularly rich body of mystical writings.
