One fair maiden + Hard Viking warriors = A night to remember!

Ulla has lived her whole life in quiet seclusion, hidden away in her little village. When the curvy maiden is faced with an opportunity to see the world by stowing away on a Viking warship, she jumps at the chance. Trouble is, the rocky seas and demanding men might have something different in store for the daring beauty than what she had in mind.

The whole Viking crew... Big, handsome, hard as steel and hungry as wolves for an untouched maiden... Are they too much? Or just enough? Will the Captain want only her body, or her mind as well?

One thing is sure. Ulla will get the adventure she was craving for, and a whole lot more!
