Douglas Low

Merleau-Ponty's Last Vision: A Proposal for the Completion of "The Visible and the Invisible" (Studies in Phenomenology and Existential Philosophy) Douglas Low

Few writers' unfinished works are considered among their most important, but such is the case with Merleau-Ponty's *The Visible and the Invisible*. What exists of it is a mere beginning, yet it bridged modernism and postmodernism in philosophy. Low uses material from some of Merleau-Ponty's later works as the basis for completion. Working from this material and the philosopher's own outline, Low presents how this important work would have looked had Merleau-Ponty lived to complete it.
