**Santería: La Religión (Spanish Edition)** Migene González-Wippler

Aproximadamente cinco millones de Hispano Americanos practican la Santería en la actualidad. En esta obra Migene González-Wippler nos presenta los resultados de profundas investigaciones y sus experiencias personales sobre esta mágica religión. Aquí se describen los altares de los orishas (Dioses), los santeros (Sacerdotes), las conchas divinas utilizadas para consultar a los dioses (Dilogún), las pócimas a base de hierbas con propiedades mágicas y curativas (Ewe), así como las ceremonias practicadas ?incluyendo el sacrificio de animales?. El impactante material fotográfico junto con las entrevistas únicas realizadas con líderes santeros, nos muestran aspectos de esta religión rara vez expuestos ante el público. Este libro proporciona el conocimiento general sobre esta antigua religión aparentemente desaparecida de la sociedad moderna.
