A summer love novella

Kaliyah Simon just broke up with her cheating boyfriend, and now that summer break is here, all she wants is a quiet, boy-free summer. To focus on work, reading, and her tan. But then she meets up with her old high school nemesis, Isaiah Winters, on the way home, and he seems more interested in being friends than enemies. Can Kaliyah lower her walls and get over seven years of pushing Isaiah away and find out what it would be like to actually be with him?

With her best friend going boy-crazy, a twenty-first birthday looming on the horizon, Isaiah continually showing up on her doorstep, and an ex that seems to want her back, Kaliyah's summer promises to be anything but quiet.
