Irresistible Book One & Two: Special Edition Mia Cardine

“All Laura wanted was to get away, but she never expected to find herself quite so lost...”

This is the first two books in the ‘Irresistible’ Series.

Laura isn’t sure how to cope when her long time boyfriend breaks up with her, so she heads to the country to see an old friend. But what starts out as a girls weekend getaway quickly turns into a bar scene, where Laura meets a dark and mysterious stranger. Although she’s had one or two one night flings, what happens with this cowboy is unlike anything that she’s ever experienced. And as wonderful as it is to be living in her own little romantic world, there’s a horrible surprise waiting for her at the end of the road.

This book contains descriptions of romantic activity that are sure to leave you hot and breathless.
