Could you fall in love with a killer? How about two? When hiring a hitman, it's important to remember two rules. One: Pay in cash. And two: Don't sleep with him. I was never good at following rules. It's not my fault that the guy I hired to help me is so damn sexy... so stupidly good at making me melt. Who the hell sleeps with a hitman? I wish I could take it back. The problem is, now that I've slept with Kite once, I want to do it again. And again. What's worse? He wants to share me with his best friend. I shouldn't give in to either of them. I should be stronger. I should remember the rules. But with both of them kissing me... I can't even remember my own name. Author's Note: This is a re-release of the Beyond Blood series. Contains a HEA, NO CHEATING, no cliffhangers, and two hitmen who have a "talent" for sharing one sassy lady...
