Includes Cherry the Cake Fairy , Grace the Glitter Fairy , Honey the Candy Fairy , Jasmine the Present Fairy , Melodie the Music Fairy , Phoebe the Fashion Fairy , and Polly the Party Fun Fairy . King Oberon and Queen Titania have ruled Fairyland for a thousand years. If that doesn't call for a major celebration, nothing does. So the seven Party Fairies plan to throw the most wonderful surprise anniversary party ever, and everyone is invited. Well, almost everyone. Jack Frost is definitely not on the guest list. But he has plans of his own. He sends his goblins into the human world, telling them to ruin as many parties as they can. When the Party Fairies come flying to the rescue, the goblins are to steal their magic party bags. Then the Fairies won't be able to prepare for the king and queen's celebration, and Jack can use the party bag magic to throw a big bash for himself. Will he succeed? Maybe. But only two girls can stop him now. Rachel and Kirsty love their fairy friends, and they're definitely up to the challenge. They'd better be...or else the party is over. Each exciting book has a carefully hidden magic party bag in it. Find them, and help the girls save the day.
