Are you tired of reading stories to your children about animals that wear clothes and act like humans? Would you like to read an exciting animal story that will teach you and your children real facts about wildlife? Then this is a book you will really enjoy.

Learn about life in the Australian desert.

Learn about unique and mysterious Australian animals with strange names like ningauis, bilbies and mulgaras.

Enjoy the exciting adventures of an animal perfectly adapted to life in one of the most difficult environments in the world.

This is a story about an Australian animal called a Bilby or a Rabbit-Eared Bandicoot. In Australia many of us celebrate Easter with an Easter Bilby instead of an Easter Bunny in order to raise awareness of our unique wildlife. Rabbits in Australia are an introduced pest species that do enormous harm to the environment. We want to promote our unique wildlife instead.

The author is a biologist who has studied, rescued and rehabilitated numerous species of Australian wildlife. She has written a book that educates people about wildlife in the context of a believable and exciting adventure. She can take you and your children into a whole new world beyond your normal animal fairy tale.

There is more to Australia than just kangaroos and koalas. Read this book and learn about many wonderful and unique animals while enjoying the adventures of a little rabbit-eared bandicoot who became an Easter Bilby.
