He's the one man I can never have, but the only one I crave...

Saxon Gray has reason to hate me. He spent five years in prison after saving me from a brutal violation at the hands of a rival motorcycle club – and he paid for that rescue with his freedom. I've never been able to settle the debt I owe him...until now.

The menace of that old rivalry is flaring up again, and as president of the Hellfire Riders, Saxon is the one man who can keep me safe. But I want more than his protection.

I want his heart.
