Amandas Desperate Weekend

Amandas Desperate Weekend Louise O Weston

This story of approximately 13000 words is a story of desperation, and what an evening in the pub can lead to. This has previously been published under the title Amandas Wet Weekend. Although this is a longer version, please do not buy it if you bought the previous work. I am republishing as it came up on Amazon as only 3 pages.

Steve has been dating Amanda for about 6 months. Their sexual adventures have been good but Steve feels the time is right to explore one or two of his fantasies, so long as Amanda is willing. When she comes to visit him for a weekend which promises to be wet, Steve feels that the time is right for a wet weekend in two senses of the word.

After the excitement of the first evening and a visit to the pub and what that leads to, Steve also tells Amanda of his other interest - bondage, and produces a pair of handcuffs. Bondage and desperation - what a mix.
