Angels and Outcasts: An Anthology of Deaf Characters in Literature

Angels and Outcasts: An Anthology of Deaf Characters in Literature

Dickens, Welty, and Turgenev are only three of the master storytellers in *Angels and Outcasts*. This remarkable collection of 14 short stories offers insights into what it means to be deaf in a hearing world. The book is divided into three parts: the first section explores works by nineteenth-century authors; the second section concentrates on stories by twentieth-century writers; and the final section focuses on stories by authors who are themselves deaf. Each section begins with an introduction by the editors and each story is preceded by a preface. *Angels and Outcasts* concludes with an annotated bibliography of other prose works about the Deaf experience. In addition to fascinating reading, it provides valuable insights into the world of Deaf people.
