Is That Man...Your Husband? Michelle Thompson

The First Lady of Gospel Theatre, Ms. Michelle, Playwright, Producer, Minister, Worship Dancer, and Now Author, pours out of her soul as she writes *Is That Man Your Husband? The Book*. This Woman of God openly and intimately shares her story, strategically exposing some of the pitfalls in her life that were the results of corrupt acts of hegemony happening in many churches today. She takes you on an emotional journey explaining step by step how she eluded her enemies and forged ahead embracing the courage to write. Ms. Michelle knows how difficult it is to overcome the kind of abuse that distorts one's perception of how valuable they are and has witnessed the power of God's Grace through Faith in her own life. Her message in this expository is one of hope, courage, restoration and triumph. The contents of this book are intended to enlighten, inspire and encourage as she clearly identifies distinct differences between relationships with men versus a relationship with God. This book, based on the play is a scintillating piece of work that displays the courage of a woman who is willing to put it all on the line. - T.J Hemphill, Renown Playwright / Songwriter I just recently saw the play over one of my friend's house and I was truly blessed by it. Be encouraged and may God continue to bless you and yours. - Yolanda Adams, National Gospel Recording Artist I Loved the play... Raven Symone, Actress/ National Recording Artist In her national hit Stage Play- "Is That Man Your Husband?" on DVD, MS. MICHELLE showed the nation how she over came the snares of her past, how she broke free from a lifeless relationship and moved purpose driven into her destined future. Now Ms. Michelle tells the untold story behind the scenes and the laughter of the play, revealing the un-paralleled source of her strength. .

From reader reviews:

Joseph Asher:

The book *Is That Man...Your Husband?* can give more knowledge and also the precise product information about everything you want. Why must we leave the great thing like a book *Is That Man...Your Husband?*? Several of you have a different opinion about guide. But one aim which book can give many information for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or details that you take for that, you can give for each other; you can share all of these. Book *Is That Man...Your Husband?* has simple shape however, you know: it has great and large function for you. You can search the enormous world by start and read a publication. So it is very wonderful.

Lonnie Fazio:

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want have more knowledge just go with training books but if you want really feel happy read one having theme for entertaining for example comic or novel. The particular *Is That Man...Your Husband?* is kind of reserve which is giving the reader unpredictable experience.

Karen Baskin:

People live in this new time of lifestyle always attempt to and must have the time or they will get great deal of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely without a doubt. People is human not just a robot. Then we request again, what kind of activity do you have when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading publications. It can be your alternative in spending your spare time, the particular book you have read is *Is That Man...Your Husband?*.

Constance Argueta:

As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this *Is That Man...Your Husband?* can make you truly feel more interested to read.
