Eat whatever you like and whenever you like. The modern science has proved that eating does not make you fat, it is the hormonal and metabolic disturbances which bring fats to different portions of the body specially the belly. If we somehow regulate these hormonal changes, we can bring our weight to the normal level within a week. This book provides you with the most natural way to regulate your hormones and metabolism to reduce your weight immediately. You will notice the difference the very first day, but keep on using it until you reduce to the desirable level.
