## **Naked Dream Girls (German Edition) Dani Fehr**

Young dream girls—that is how you might view all of Dani Fehr's models. The photographer a.k.a. "Artofdan" presents the singularity of his posing girls, and each one of them is unique and very specific showing her exceeding beauty. Endowed by nature with blossoming bodies, these girls with their smooth, pearly-white, virtuous physique communicate the following message: life is sex, right here and right now! As long as there is lust, life is not over! Exposing in full view to everyone they caress each other, and with arched backs they fragrantly display their fuzzy genital apricot-looking up to you directly and deeply. An homage to the power of eroticism and life.
