The Puppy Baby Book Dawn Greenfield Ireland

This unique fill-in-the-blanks book gives dog lovers the same opportunity to chart their puppies growth and progress, as parents of infants do with their baby books. Now, as your puppy grows, you can document:

- *Where the puppy was born
- *The birth parents names and breeds
- *Who the puppy resembles
- *Where the puppy was adopted from
- *Puppy's first meal
- *The puppy's playmates
- *When potty training took place
- *Obedience school classes
- *Favorite things to do
- *What vitamins the puppy takes
- *Medical records
- *Medical emergencies and blunders
- *And much more

There is a keepsake pocket for the first rabies tag after it expires, a page where you can place your puppy's paw prints, a pocket to keep the adoption papers, a placeholder for an adoption announcement card, a first aid kit list, and picture placeholders throughout the book. You will be able to write what you did with your puppy on special days throughout the calendar year from New Years day to Hanukkah and Christmas -- 23 occasions in all.
