**Tudor Rebellions, 5th Revised Edition** Anthony Fletcher, Diarmaid MacCulloch

The Tudor age was a tumultuous one – a time of the Reformation, conspiracies, uprisings and rebellions.

*The Tudor Rebellions* gives a chronological run-down of the major rebellions and throws light on some of the main themes of Tudor history, including the dynasty's attempt to bring the north and west under the control of the capital, the progress of the English Reformation and the impact of inflation, taxation and enclosure on society.

Successive versions of Tudor Rebellions have been central to understanding Tudor politics since 1968, when Anthony Fletcher first published his book. Now nearly four decades later, Professor Diarmaid MacCulloch has once more thoroughly revised and expanded this classic text to take into account exciting and innovative work on the subject in recent years.
