Synne City Super Heroine in Peril fiction at its finest!

Young, beautiful, and powerful, Catgirl is Synne City's newest super heroine out to prove herself. Working with her mentor, Midnight Avenger, Catgirl fouls a major drug deal. All is going well, until Dynamo arrives. Newly turned to evil, Dynamo tears into the heroic duo and the fight ends with Midnight Avenger's capture.

The mobsters holding her mentor start calling Catgirl, taunting her with videos of her mentor's torments. Threatening worse if Catgirl fails to do as instructed. With Midnight Avenger captured, unmasked, and photographed, how will Catgirl save her before it is too late? And is it too late for Catgirl to even save herself?

Warning: This super heroine in peril, urban fantasy story has explicit violence and sex. It gets down and dirty, showing the dark side of costumed vigilantism. For adults 18 years old and above who are not easily offended.

This is a novella of approximately 18370 words of actual story. This is a great story if you want a fun super heroine in peril romp.
