## **Groo: Hell on Earth** Mark Evanier

Groo is BACK! And, oddly enough, that might not be the biggest disaster looming over the planet. It seems that things are getting hotter everywhere . . . that is, in those places where it isn't getting colder than ever before! The usual suspects - Sergio Aragones and Mark Evanier - once again join forces to bring you a sidesplitting tale of the world's stupidest barbarian. Unfortunately, there might not be much world left by the end of their story! "He's the same old Groo as always, just as stupid, just as destructive. Taking a little time off has not made him any smarter or less dangerous!" -Sergio Aragones
