## **The Nature of Faith and Miracles: How to Experience God's Power and Purpose** Liz Linssen

All over the world, God is moving in miraculous ways today just as He did when Jesus lived on this earth two thousand years ago. His work has not changed - neither have our needs - yet a lack of awareness of God's wonderful work exists. This book will remedy that lack so that you may come to personally know and encounter the works of God in your own life just as you read about in Scripture. In *The Nature of Faith and Miracles* you will find:

- Biblical teaching on what living by faith looks like
- How to experience the miraculous
- What miracles accomplish
- True stories of miracles that I or people I know have experienced
- Application questions for use within small group studies

I'm not going to tell you that you need more faith or that miracles still happen today. I want to take you by the hand and explain what it means to live a life of faith that releases God's power. I want to teach you how to exercise your already existing faith so that you too can experience God moving in ways that you read about in Scripture.
