Love is a strong drug, and Khalil Bradford is battling demons that not even his best friend can help him fight...

In *What The Heart Wants: An Urban Love Story*, Journey returns to her hometown of Detroit where she rejoins forces with her best friend, Khalil, as if they never separated.

Journey's focused on perfecting her craft in hopes to one day become the next big thing in the fashion world. Khalil doesn't have much to look forward to in life, the only good thing in his world is her. He becomes her number one cheerleader and supporter. But as beautiful as she is and as much as she wants him, Khalil remains oblivious to her advances. So, with Journey feeling rejected she runs back into the open arms of her grimy boyfriend.

Hustling is all Khalil knew, and the streets were the only place he felt superior. Due to the stress that comes along with being a boss, and loneliness, he turns to prescription drugs to numb the pain. Khalil is so lost that he begins to spiral out of control and is unaware that his team is plotting against him.

Will Khalil's habits lead to his demise? Does Journey find solace with her ex? Will she leave Detroit chasing after dreams and leave Khalil behind? *What The Heart Wants* is an urban love story that is guaranteed to leave you captivated and mesmerized after turning every page.
