- I just started this book, and I can hardly put it down! To me, it's hilarious! I love it! What a nice way to spend a few minutes: laughing out loud while reading and making everyone around you think you're nuts! Oh, well... gotta go! I want to read some more! (S. Kelley)
- If you want a light read that is entertaining and informative without being dry, this is the book you should read. I have enjoyed and laughed my way through it and am happy to recommend it to others. (Luciann Smith)
- Loved this book !!! Spend many hours reading about a little of this and a little of that. Highly recommend this item. many times over... (Harry Murdock)
- I got this book for my Kindle because I like trivia and fun facts kind of stuff but this book is all that and more. I've only read about 10% of it so far but it's great - not just the same old drivel that fills lots of similar books but I have also never laughed so hard in a long time. Written in an easygoing, fun style, you can read a lot or a little and get enjoyment out of it every time! (Greg Walz)
- This is actually a GREAT read!! I did not want to stop reading it. I learned lots of info.....some useless and some not....but all very interesting!!!! (Jill A Coy)
- A really good book. Kept me reading the whole time with interesting facts. Learned a lot and also laughed a lot! (Kaitlyn O'Hara)
- The title is not misleading; this book is filled with interesting bits of trivia. Written in a manner that causes the reader to relate, ponder, and on some occasions literally laugh out loud. I cannot wait to read the next one. (Joli Richardson)
- I enjoyed this immensely. Good light reading with lots of interesting tidbits. Loved the little brainteasers peppered throughout the book. Enjoy! (Laura Jean Flagel)
- Exactly what it says. Loads of interesting snippets of information and little things that I never knew. Terrific book and highly recommended. (George Field)
- "The Big Book of Interesting Stuff" is jam-packed full of short (with few exceptions) interesting (with even

fewer exceptions) and often ironic factoids, memes, jokes, and titillating tidbits. [...] It's worth twice the price he requests for it. My bride and I spent several evenings sharing sections of the book with one another and my own "copy" of the text has more highlights in it than a Michael Jordan NBA video. (Bruce Barker)
