***Valhalla: Book Three***

The end of the world has come, leaving Vibeke the sole survivor, alone in the desolation. She perseveres with only one goal in mind: to reunite with Violet, even if it means the destruction of what remains of the planet Earth. But the consequences might be even more catastrophic than Vibeke expects.

A faint light still burns in the darkness, though? a last hope for love flickering amidst the atrocities mankind has wrought and the pain still waiting in the future. But it lies at the end of a long and deadly road.
