Many have found themselves suddenly faced with unemployment without having a clue on what to do. Laid off workers have depended on friends, family, company and employee assistance programs, as well as social services to escort them through the basic steps. As those who may face sudden joblessness, that same basic information will continue to be given. But finally, here comes "How to Keep the Bill Collectors Off, Eat, and Keep A Roof Over Your Head If You Lose Your Job" to break it down to the "real world nitty-gritty" on what to do, and most importantly, what NOT to do if faced with sudden unemployment. This book begins with setting the emotional and mental state for success and ends with what to do when income begins to flow steadily again. In between, the reader will learn how to deal with bill collectors - armed with what to say and what not to say. Also, included is a toolkit to use to keep household expenses together. This book is for every consumer who touches money - those without a current position as well as those who are working. A perfect addition to the personal finance library.
