Trixie Walker is a survivor. Escaping imprisonment by the madman that murdered her mate, she's fighting to rebuild her town, her pack, and herself. After living a life of duty, her world is thrown upside down with a single glimpse of a magnificent, sculpted stranger.

Powerful wolf shifter, Lance Tenbrook is charismatic and confident. But, after a string of meaningless relationships, finding the right woman seems hopeless until one phone call changes his life forever. With turmoil in the surrounding territories, the Sawtooth Peaks wolves look to him to choose a mate and claim his place as alpha.

Consumed by the irresistible draw toward one another, the couple is unprepared when betrayal strikes.

This full-length novel contains steamy, action-packed romance between wolf shifters, scorching love scenes, and a happily ever after ending. This is the final book in the Sawtooth Peaks series.
