**Home, sweet home...**

Joy Cartier has been to some of the most beautiful places in the world – but none of them have ever felt like home. So moving into a tiny cottage in the idyllic village of Bramble Hill, walking distance from her childhood home, seems like the perfect plan.

But when the village animosity steps up a gear, it is the infuriatingly brooding Finn who keeps coming to her rescue. Slowly Joy begins to realise that maybe a happy home isn't about where you live, but who you're with...
