#### **James Garza:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this California Building Performance Guidelines for Residential Construction

and Homeowner Maintenance Guide can make you sense more interested to read.
