Night Blindness: A Novel Susan Strecker

A future as bright as the stars above the Connecticut shore lay before Jensen Reilly and her high school sweetheart, Ryder, until the terrible events of an October night left Jensen running from her family and her first love. Over the years that followed, Jensen buried her painful past, and now, married to a charismatic artist, she has created a new life far away from the unbearable secret of that night. When unexpected events force Jensen to return home, she must finally face her past and ultimately make a decision that threatens to change her life again-this time forever.

Susan Strecker's *Night Blindness* is an emotionally thrilling debut set during a New England summer about the choices we make, the sanctity of friendship, and the power of love.
