The fully aligned Rise & Shine STAAR Prep Science workbooks — now available for grade 5 and 8 — provide students with hours of practice in all areas covered by the Texas Standards. Our STAAR Science titles are 100% aligned with STAAR standards for science. Each workbook is directly aligned to the STAAR objectives. The questions match the format that students can expect to see on STAAR exams. Hundreds of practice questions ensure that students are familiar with the STAAR science exam format before walking into the test. Many questions involve graphic representations, an important part of the STAAR exam. Teacher editions include extensive test-specific introductory guides and show correct and suggested answers for each of the questions asked, as well as targeted skill for those questions. Our science workbooks are the most effective test preparation available today. Great for home schooling as well!
