## Sons of Mayhem 3: The Full Force

The **Sons of Mayhem** are back!

When Ava's younger sister mysteriously disappears at a rock show put on by the band "The Full Force" she has to struggle to get her back.

But first Ava's has to compete with the devastatingly handsome English biker badboy, Lonnie, who is in charge of security for the band during their tour and has little reason to help her.

Chock full of action and **hot hot hot** steam the Sons of Mayhem are back and this time they bring with them the handsome British band **the Full Force**.

Be aware this book has multiple graphic love scenes! Not for the faint of heart...

Although this is a series, it is **not a serial**. Each book is a standalone story starring a different couple and with a HEA or HFN ending. You can read the books out of order if you wish.
