## **The Marriage Therapist** Veronica Hart

"I gritted my teeth as I prepared for the remainder of my spanking. Whatever I had to do, however I had to act, I was going to make sure I never received another spanking again. I would be the most obedient wife in the world and would appreciate my husband for the hard worker and leader he is. Never again would I find myself bent over, on the receiving end of a paddle. Nor would I find myself over my husband's knee, flailing about while he corrected me. No, I would clean up my act and be the wife he deserved."

Angela has run roughshod over her husband for years; she spends too much, ignores household chores too often, and gives sex too little. So when her husband Robert says they're going to a marriage therapist she goes along with it just to humor him, thinking she'll be back to her old ways in no time. What she finds out, though, has her singing a different tune! Dr. James Morgan uses an "experimental technique" that restores harmony and order to suffering marriages, and gives naughty wives sore bottoms! "

The Marriage Therapist" is a 4,000 plus word short story that contains spanking, domestic discipline, graphic sexual content, a satisfied husband, and one satisfied but well-disciplined wife!
