## **CISA Review Questions, Answers & Explanations Manual 2010 Isaca**

The *CISA Review Questions, Answers & Explanations Manual 2010* consists of 800 multiple-choice study questions that have previously appeared in the *CISA Review Questions, Answers & Explanations Manual 2008* and the *2008 and 2009 Supplements*. Many questions have been revised or completely rewritten to recognize a change in job practice, be more representative of the current CISA exam question format, and/or provide further clarity or explanation of the correct answer. These questions are not actual exam items, but are intended to provide CISA candidates with an understanding of the type and structure of questions and content that have previously appeared on the exam.

This publication is ideal to use in conjunction with the *CISA Review Manual 2010*. To assist candidates in maximizing study efforts, questions are presented in the following two ways:

Sample-200 question exam Two hundred of the 800 questions included in the manual are selected to represent a full-length CISA exam, with questions chosen in the same percentages as the current CISA job practice areas. Candidates are urged to use this sample test not only to simulate an actual exam, but also to determine their strengths and weaknesses and to identify those areas that require further study. Answer sheets and an answer/reference key for the sample exam are also included. All sample test questions have been cross-referenced to the questions sorted by practice area, making it convenient for the user to refer back to the explanations of the correct answers.
