## Fortunate Sum M. Ullrich

Catherine Carter earned her spot as one of New York's top financial advisors by following the rules and reaching her every goal. The same applies to Catherine's personal life. Her next self-imposed deadline is looming, and all that's left to do is to meet the perfect man. At her friend's urging, skeptical Catherine meets with a psychic who tells her to look for the color blue, and that's when life spirals from her control.

Prospective client, quirky Imogene Harris, is reluctant to hire anyone to help with her inheritance, but when she sees what's

being offered, she has a change of heart. Catherine denies her attraction to Imogene. Imogene is falling for the woman behind the numbers. Not even a rocky start, secret past, or misinterpreted predictions can stop the women from being drawn to one another. Together they learn that perhaps blue isn't the color of sadness after all...
