This comprehensive history of the Catholic Church includes every major event in the Church's history from the life of her founder, Jesus Christ, to the present day. This text places the Church in her context throughout history and explains the role that the Church and her leaders have played in the shaping of history for better and worse. Complete with maps, timelines, sidebars, paintings, and photographs, The History of the Church is a critical historical resource for Catholic and non-Catholic historians alike. The Didache Complete Course Series is a series of four high school textbooks, teacher's manuals, student workbooks, and teacher's answer guides published by Midwest Theological Forum. Each title spans one academic year. As of 2009, they were being used in about one-third Catholic high schools. This textbook is published with ecclesiastical approval from the Archdiocese of Chicago, and it has been granted conformity with the Catechism of the Catholic Church by the USCCB Subcommittee on the Catechism.
