**The Third Peregrination (The Jade Owl Legacy Book 2)** Edward C. Patterson

THE SECOND BOOK IN THE JADE OWL SERIES.

The world is on the brink, now that the relics flow together again. The new China Hands should have left the Jade Owl in the tomb, to fester silently for another age, but they didn't. Now there is a tapping in the basement and a flowering of new relics, all seeking to move Curator-General Rowden Gray and his crew into the field again to solve the mystery of The Seven Sisters. However, the world has changed since Rowden managed his first task. The new China Hands are sucked into the maelstrom of time, flowing together with the relics, now that the world is at the brink.

Rowden Gray and Nicholas Battle, joined by three new stalwarts in pursuit of the next level in the triad, find a fortress in a mystery deeper than the first warrant, something that compels them to return to China and unravel a more difficult truth - one that challenges them beyond time's membrane. This second book in the Jade Owl Legacy Series pushes the new China Hands to the world's brink - now that the relics flow together again.

Review fom Rainbow Reviews:

Sinologist Rowden Grey is back at the San Francisco Museum of East Asian Arts and Culture, formerly his dream career. The museum has benefited over many decades from artifacts and treasures provided by Rowden's late mentor, John Battle, including the mysterious treasures of China's only Empress, which impelled the events in the initial story. In this second volume, beginning after the "China Hands" return from China, the paranormal element introduced by the Jade Owl artifact becomes increasingly prevalent. Once again, Rowden, John Battle's son Nick, Nick's life partner Simon/Simone, and Rowden's new love Audrey, are put on the spot in a struggle for life, limb, and sanity as stakes escalate.

The Third Peregrination, second volume in Edward C. Patterson's The Jade Owl Legacy, is subtitled The Search of the New China Hands. Like its predecessor, The Jade Owl, the novel is riveting as escalating suspense has readers turning pages as fast as they can read. The continuing main protagonists are joined by a revolving cast of well-developed secondary characters who provide human interest as the plot lines begun in The Jade Owl further develop. Author Patterson never drops a stitch nor leaves a subplot dangling. Rife with suspense, character development, and a newly intensified focus on the paranormal, The Third Peregrination is a valid stand-alone novel, but will also inspire readers new to The Jade Owl Legacy to seek out the first volume and to eagerly anticipate the next book in the set. Once again, Mr. Patterson delivers don't miss excitement. Run, do not walk, to your nearest bookselling outlet and enjoy The Third Peregrination.
