Haley Kline murdered her mother. She is fifteen years old. At least Haley thinks she killed her mom, the truth of the matter is that it was a collision of bad circumstances that killed Haley's mother. ?Just stop bothering me about it. Okay?? are the last words Haley ever spoke to her mother. Those seven words scald her insides as if they'd been branded into her flesh. When One Door Closes tells the story of a girl who must deal with devastating loss, guilt, and sadness. The main character, Haley, has not had an easy life. For most of her life she's been haunted by frightening hallucinations and sexual abuse. By the time she reached fifteen she had been in and out of eight different psychiatric hospitals. Life was turning out to be the last place Haley wanted to be. Her mother being killed in an accident that Haley blamed herself for, was the last straw.
