**A male bent on revenge. A female determined to prevail. Young lovers ripped apart...forever?**

Raphael Vounó demands custody of his nephews, who's existence he's just discovered. He cannot allow them to be sullied by their mother's family—a family he's vowed revenge on for years. Determined to win the boys, he finds himself facing a foe he'd long ago cursed for betraying him.

The boys' half-sister, Tamsin Drakos, can't believe she confronts an enemy she thought to never see again. But this man doesn't resemble the shy, charming boy she fell in love with when she'd been sixteen. Hard and cruel, this billionaire will do anything to get his way—including forcing her out of her home and into his control.

When Raphael and Tamsin reignite a passion neither can deny, both are unwilling to admit to feeling the emotion that destroyed their lives before. But the terrible love flames to life, threatening to consume them and their families. How can they overcome the tragedy of the past when it follows them into the present?

***A Perfect Love* is a standalone story with a happily-ever-after ending. It's part of the enticing International Billionaires series—books that take well-loved stories and place them in exotic locales. What would have happened if the star-crossed lovers, Romeo and Juliet, had survived to conquer the obstacles in the way of their love? In between battling each other and their families, our hero and heroine will travel from a luxurious hotel in London to a sumptuous villa in Sparti, Greece. Let Golden Heart winner, Caro LaFever, take you on more splendid trips in these other books in the series:**
