International Yearbook of Industrial Statistics 2015

United Nations Industrial Development Organization

International Yearbook of Industrial Statistics 2015 United Nations Industrial Development Organization

A unique and comprehensive source of information, this book is the only international publication providing economists, planners, policymakers and business people with worldwide statistics on current performance and trends in the manufacturing sector.

The *Yearbook* is designed to facilitate international comparisons relating to manufacturing activity and industrial development and performance. It provides data which can be used to analyze patterns of growth and related long term trends, structural change and industrial performance in individual industries. Statistics on employment patterns, wages, consumption and gross output and other key indicators are also presented.
