Mansfield Park (Collector's Library)

Jane Austen

Mansfield Park (Collector's Library) Jane Austen

In one of Jane Austen's most morally complex and richly drawn novels, she paints a fascinating portrait of an upper-class family and the cousin who comes to live with them. Fanny Price, the timid and poor relative of the wealthy Bertrams, finds comfort only in her gentle cousin, Edmund, with whom she gradually falls in love. But the departure of the father on business, and the arrival of the worldly Henry Crawford and his sister Mary, irrevocably change the family's fortunes. A penetrating account both of individual motives and social mores, Mansfield Park remains as fresh today as when it was written. The world's greatest works of literature are now available in these beautiful keepsake volumes. Bound in real cloth, and featuring gilt edges and ribbon markers, these beautifully produced books are a wonderful way to build a handsome library of classic literature. These are the essential novels that belong in every home. They'll transport readers to imaginary worlds and provide excitement, entertainment, and enlightenment for years to come. All of these novels feature attractive illustrations and have an unequalled period feel that will grace the library, the bedside table or bureau.
