## **Moonlight in the Valley** Wilson Harp

The little town is in danger, its people unaware of the threat they face. Blackclaw leads a pack of werewolves intent on slaughter and the full moon will soon shine in the valley. The quiet town is doomed unless a hero comes to their rescue.

Moonlight in the Valley is a short story that brings the threat of werewolves to the old west. It's a world where legends are real, nothing is as it seems, and good guys wear white hats.
