**Jimmie Houck:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart or

real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
