The Possibility of an Island (Vintage International)

Michel Houellebecq

The Possibility of an Island (Vintage International) Michel Houellebecq

A worldwide phenomenon and the most important French novelist since Camus, Michel Houellebecq now delivers his magnum opus—a tale of our present circumstances told from the future, when humanity as we know it has vanished.

Surprisingly poignant, philosophically compelling, and occasionally laugh-out-loud funny, *The Possibility of an Island* is at once an indictment, an elegy, and a celebration of everything we have and are at risk of losing. It is a masterpiece from one of the world's most innovative writers.
